

Murder on the Airwaves

Zebrahead

Broken words into thirds like a syllable
Bullshit runs, 'cause if it walks, then it's killable
Poison tongue on my lung licking everything
Unsung kick drum kick, kick, killing me

Well nothing can go wrong?
Yeah so come and get it on
Audio explosion
And you drop it like a bomb
Lying through your teeth
Smoking TNT
Talk is cheap
Burn your bridges easily

Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive
You can't control it!
Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive
Ya know it!

Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
Stab me in the back
Right in front of me
Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
There's no going back
When you are dead to me

Suffer ya sucker, your shifty eyes selling me
Dumb motherfucker used to scream the songs that ya scream
Glass in my eye from my life left shattered
Bruises and excuses like nothing ever mattered

Well nothing can go wrong?
Yeah so come and get it on
Light it up like dynamite
And drop it like a bomb
Lying and deceit
Finger on repeat
Talk is cheap
Burn your bridges easily

Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive
You can't control it!
Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive

Ya know it!

Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
Stab me in the back
Right in front of me
Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
There's no going back
When you are dead to me

Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive
You can't control it!
Wake up, wake up, wake up!
Don't blow it!
They're gonna eat you alive
Ya know it!

Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
Stab me in the back
Right in front of me
Murder on the airwaves
Can't stop the chaos
Murder on the airwaves
A rapid blood loss
There's no going back
When you are dead to me
