Rated 'U' for Ugly

Zebrahead

Hit me, hit me, hit me With all you got Just a superficial girl who cares a lot About attentions that you get They connect the dots To form a target on your back Take your best shot Who loves you? Who needs you? The paint's peeling off the wall That's it, that's all Who loves you? Who needs you? The itch makes your skin crawl That's it, that's all Head to the wall Head to the wall Life's staring you, breaking through Hold on tight to the radio It's sad but true Coming to the end of your Life starring you Breaking through Hold on tight to the radio It's sad but true Coming to the end of near you Give me, give me, give me Got no heart to rot When the scars and insecurities, they hit the spot And the acceptance that you crave Is all for not Left a crosshair on your head Take your best shot Who loves you? Who needs you? Always waiting for a call That's it, that's all Who loves you? Who needs you? Sets you up for a fall That's it, that's all Head to the wall Head to the wall Life's staring you, breaking through Hold on tight to the radio It's sad but true Coming to the end of your Life starring you Breaking through Hold on tight to the radio

It's sad but true Coming to the end of near you

So ugly with the lights on Narcissistic girl So ugly with the lights on Narcissistic girl So ugly with the lights on Narcissistic girl Living in her "all about me world"

Life's staring you, breaking through Hold on tight to the radio It's sad but true Coming to the end of your Life starring you Breaking through Hold on tight to the radio It's sad but true Coming to the end of near you Coming to the end of near you
