

The Sweet Escape

Zebrahead

If I could escape I would but,
First of all, let me say
I must apologize for acting
stank & treating you this way
Cause I've been acting like
sour milk all on the floor
It's your fault you didn't shut the refrigerator
Maybe that's the reason I've been acting so cold?

If I could escape
& recreate a place that's my own world
& I could be your favourite girl [forever], Perfectly together
Tell me boy now wouldn't that be sweet?
If I could be sweet,
I know I've been a real bad girl
I didn't mean for you to get hurt
We can make it better, Tell me boy wouldn't that be sweet?
I want to get away, to our sweet escape
I want to get away

You held me down,
I'm at my lowest boiling point
Come help me out,
I need to get me out of this joint
Come on let's bounce,
counting on you to turn me around
Instead of clowning around,
let's look for some common ground

So baby, times get a little crazy
I've been gettin' a little lazy,
waitin' on you to come save me
I can see that you're angry
by the way that you treat me
Hopefully you don't leave me,
wanna take you with me

If I could escape
& recreate a place that's my own world
& I could be your favourite girl [forever], Perfectly together
& tell me boy now wouldn't that be sweet?
If I could be sweet
I know I've been a real bad girl
I didn't mean for you to get hurt
We can make it better
& tell me boy now wouldn't that be sweet?
Woohoo, Yeehoo
Woohoo, Yeehoo Woohoo, yeehoo Woohoo, Yeehoo

Cause I've been acting like
sour milk all on the floor
It's your fault you didn't shut the refrigerator
Maybe that's the reason I've been acting so cold?

& recreate a place that's my own world
& I could be your favourite girl

Perfectly together
& tell me boy now wouldn't that be sweet?
If I could be sweet [
