

Type A

Zebrahead

Shut up
I'm not like you
Back off
Don't smother me
Fuck this
I see through you
Suffer me through

Shut up I'm not like you (3x)
Suffer me through
Type a Fly away Don't lie

I won't let you get the best of me (3)
If I try, if I try

Oh god
I can't stand you
Disappoint you
With me
One day you'll come down too
Suffer me through

Shut up I'm not like you (3x)
Suffer me through
Type a Fly away Don't lie

I won't let you get the best of me (3)
If I try, if I try
