

Underneath It All

Zebrahead

There's times when I want something more
Someone more like me
There's times when this dress rehearsal
Seems incomplete

But you see the colors in me
Like no one else
And behind your dark glasses
You're something else

You're really lovely underneath it all
D'you want to love me underneath it all
I'm really lucky underneath it all
You're really lovely

You know some real bad tricks
And you need some discipline
But lately you've been trying real hard
And giving me your best

And you give me the most gorgeous sleep
That I've ever had
And when it's really bad
I guess it's not that bad

You're really lovely underneath it all
D'you want to love me underneath it all
I'm really lucky underneath it all
You're really lovely

So many moons that we have seen
Stumbling back next to me
I've seen right through and underneath
And you make me better
I've seen right through and underneath
And you make me better, better, better

You are my real Prince Charming
Like the heat from the fire
You were always burning
And each time you're around
My body keeps staling for your touch
Your kisses and your sweet romancin'
There's an underside a you that so many adore
Aside from your temper everything else secure
You're good for me, baby
Oh that, I'm a sure
Over and over again
I want more

You've used up all your coupons
And all you got left is me
And somehow I'm full of forgiveness
I guess it's meant to be

You're really lovely underneath it all
D'you want to love me

I'm really lucky underneath it all
You're really lovely

You're really lovely underneath it all
D'you want to love me underneath it all
I'm really lucky underneath it all
You're really lovely

You're really lovely underneath it all
D'you want to love me underneath it all
I'm really lucky underneath it all
You're really lovely
