## **Spectrum**

Breathing you in when I want you out Finding our truth in a hope of doubt Lying inside our quiet drama

Wearing your heart like a stolen dream Opening skies with your broken keys No one can blind us any longer

We'll run where lights won't chase us Hide where love can save us I will never let you go

We'll run where lights won't chase us Hide where love can save us I will never let you go

Breathing you in when I want you out Finding our truth in a hope of doubt Lying inside our quiet drama
