Hope you don't think
My obsession is awkward

There's no particular thing that I want
There's no particular drug that I love
But when I can't find my stache I give up
I need to deal with myself and get messed up

Where's my stache
Can you feed my love
Cannabis
Can you feed my love
Where's my stache
Where's my stache

High Princess
Where's my stache
