

Swell Window

Zee Avi

Like a swell window I will wait for you,
I'll ride the moment 'till I catch you again
'Till I catch you again.
uuuuuu.. uuuuu..

I'm mad with the young man who has an ocean romance and
he calls it the way of life
He tells me how he feels when he's alone with the
raging sound of cong
The raging sound of cong
Fully untainted sacred place.

Like a swell window I will wait for you,
I'll ride the moment 'till I catch you again
'Till I catch you again.
uuuuuu.. uuuuu..

Little doses count this time we'll call the rail
We're all riding the same waves
We're all riding the same waves
Soon we'll all be face to face.

Like a swell window I will wait for you,
I'll ride the moment 'till I catch you again
'Till I catch you again.
uuuuuu.. uuuuu..
