

Liar

Zeke

I think I might wanna go out for the night
Me and some old friends, we all hang real tight
Nothing if not the original bad seed
But I take what I want and I get what I need
I'm a liar
You never called me once all throughout the day
So we ate acid at the city by the bay
I told you the truth but I should have told a lie
Enemy of honesty until the day I die
I'm a liar
