

# Telepathy Boy

Zeke

telepathy boy  
the way i look,  
the way i feel  
the way i comb my hair  
the way i look behind your eyes  
and tell you what to hear

telepathy boy  
the way i eat  
the way i bruise  
the way i scare  
the way i look inside your mind  
and tell you what to hear

telepathy boy
