

## Zeke You

Zeke

Ride With Zeke,  
The future's absurd, and it's bleke  
So, get it on, get it up, take the beat  
And ride with Zeke

Zeke rides on the edge of destruction  
One thing she's got to do  
Turn around through my way,  
I blew out the wild

Ride With Zeke,  
The future's absurd, and it's bleke  
So, get it on, get it up, take the beat  
And ride with Zeke

Ride On!

Zeke! Zeke!

Ride With Zeke,  
The future's absurd, and it's bleke  
So, get it on, get it up, take the beat  
And ride with Zeke  
Man you gotta Ride with Zeke  
Come on come and Ride with Zeke  
Man you gotta Ride with Zeke  
Come on come and Ride with Zeke
