

# Bottle You Up

Zendaya

If loving you were a crime,  
I'd do the hardest time  
You are perfection, nearly every time, yeah  
You know it kills me  
I can't always be right here  
'Cause right now you love me  
Then you disappear

Wish I could always have you here with me  
Wish I could hold ya, never let you leave  
Wish I could put it away, save it for a rainy day  
Wish I could bottle you up  
If I wanna hear your voice inside of me  
I'll drink it up and you're alive in me  
Then I could put it away, save it for a rainy day  
Wish I could bottle you up, bottle you up

Right now you're mine  
But we're running out of time  
It's part of the rush, it's taking me high (high)  
You know it kills me  
We can't always be right here  
'Cause right now you love me  
Then you disappear

Wish I could always have you here with me  
Wish I could hold ya, never let you leave  
Wish I could put it away, save it for a rainy day  
Wish I could bottle you up  
If I wanna hear your voice inside of me,  
I'll drink it up and you're alive in me  
Then I could put it away, save it for a rainy day  
Wish I could bottle you up  
Wish I could always have you here with me (here with me)  
Wish I could hold ya, never let you leave  
Wish I could put it away, save it for a rainy day  
Wish I could bottle you up  
If I wanna hear your voice inside of me,  
I'll drink it up and you're alive in me  
When I can put it away, save it for a rainy day  
Wish I could bottle you up  
Then I could put it away, save it for a rainy day  
Wish I could bottle you up  
Bottle you up.
