

Swag It Out

Zendaya

Oh, oh, oh, oh, oh, oh, oh

I'm gonna I'm gonna g-g-g-gonna swag it out
Don't watch me watch the t-t-TV
I'm swaggin' when you se-e-e me
I'm shining bright you'll fall in lo-o-o-ove (in love)
I'm a rider, I ride like a Harley
Start it up and start up the party
Livin' it up swag it out my way
Nicki Minaj havin' "Pink Fridays"

Shalalala make lots of paper
Nananana don't trip off haters
Got my hair it's done, my nails they're done
Swaggin' so on point
All eyes are on me

Swag it out
I'm gonna I'm gonna g-g-g-gonna swag it out
Pretty like Beyoncé, big time like Kanye
I'm a rock out rock out like Green Day
I'm a act out act on no screen play
Swag it out Whassup?

I really wanna I promise that I'm gonna
Swag it all out show off like a stunner
I really wanna I promise that I'm gonna
Swag it all out stay hotter than the summer

Shalalala make lots of paper
Nananana don't trip off haters
Got my hair it's done, my nails they're done
Swaggin' so on point
All eyes are on me

Swag it out
I'm gonna I'm gonna g-g-g-gonna swag it out
Let the bass bang
Throw your hands in the air (air, air)
Hands in the air (air, air)
Throw-Throw your hands in the air (throw your hands in the air)
Let the bass bang
And throw your hands in the air (throw your hands in the air)
H-H-hands in the air
Throw-Throw your hands in the air

Swag it out
I'm gonna I'm gonna g-g-g-gonna swag it out
Oh, oh, oh, oh, oh, oh, oh
