

# I'm Numb

Zeraphine

Whatever I am feeling, I find you everywhere  
You're like the clouds that pass me by again  
My memories are empty, they'll never bring you back  
I can't deny how much I'm missing you

Time pours down,  
Washing my faith away

I'm numb until we're dancing into the night,  
But I still feel your kisses riding over my skin  
I'm numb until you're disappearing again  
Too many scars and a dream will never end

I've been to all the places where you used to be  
But everywhere a chill kept seizing me  
And if I sleep, I'm restless and I'm not gone for long  
I can't deny how much I'm missing you
