

# The Pageant of the Bizarre

Zero 7

It's never gonna be  
Normal, you and me  
What you're signing on for  
Is a storm at sea

So if you think you're tough  
Give me all your love  
And I'll give you every little piece of me

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

We will never be a nuclear family  
But a rainbow will begin at our feet  
And if you take my hand  
Beware that this boat can  
Run aground making the ocean floor weep

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

Catch a falling star you'll go far  
In the pageant of the bizarre  
And tonight I give you my heart

Take a chance on me, yeah  
You're my remedy, yeah

You may fall indeed, yeah  
You'll find peace with me, yeah

Take a chance on me, yeah  
You're my remedy, yeah

You may fall indeed, yeah  
You'll find peace with me, yeah  
Peace with me, yeah

Take a chance on me, yeah  
You're my remedy, yeah

You may fall indeed, yeah  
You'll find peace with me, yeah
