It's never gonna be
Normal, you and me
What you're signing on for
Is a storm at sea

So if you think you're tough Give me all your love And I'll give you every little piece of me

Catch a falling star you'll go far In the pageant of the bizarre And tonight I give you my heart

Catch a falling star you'll go far In the pageant of the bizarre And tonight I give you my heart

We will never be a nuclear family
But a rainbow will begin at our feet
And if you take my hand
Beware that this boat can
Run aground making the ocean floor weep

Catch a falling star you'll go far In the pageant of the bizarre And tonight I give you my heart

Catch a falling star you'll go far In the pageant of the bizarre And tonight I give you my heart
