

# Losing Control

Zero Hour

As I turn and walk away  
Can't believe the things you say  
No more I cannot stay  
I feel our time is over

I have always been the same  
I am not the one to blame  
Yourself and don't complain  
I feel our time is over

I can't take this I can't fake this  
Sometimes I just want to break it

No I can't just walk away  
So much more we have to say  
You love me I will stay  
Maybe the pain is over

Long as you can bear the shame  
I am not the one to blame  
Is yours so don't complain  
Maybe the hurt is over

Anger coming  
Can't control me  
Lost in agony  
Pain is growing

Hatred growing  
Anger flowing

The hating elevating  
I feel my control is fading  
Hear me as I plead  
You better stay away from me

Pressure flowing  
And now my anger is showing  
The hating elevating  
And now my control is fading

I will turn and walk away  
Can't believe the things you say  
No more I cannot stay  
I feel our time is over

I have always been the same  
I am not the one to blame  
Is yours I feel no pain  
I feel my life is over
