Zeromancer

A person climaxes when they die  
(Today I will marry my prince)  
So he had the gun in his hand and he told her  
(Wedding vows continue in background)  
He said now "When you start to reach your climax tell me when"  
As soon as she started reaching her climax  
She told him "Ok now"  
And we she said now, he took the gun to his head  
Bang  
She sucked the blood from his mouth and it was warm  
And she said it was just too much  
That I should try it sometime
