

Auf Wiedersehen Boy

Zeromancer

I love my telescope
It get's me closer
I'm falling in love with you
Yeah I do

The voyeur in me is watching you
The voyeur in me is watching
The voyeur in me is watching you
The voyeur in me is watching

Auf Wiedersehen Boy
Auf Wiedersehen Boy
You play God, but you got no glamour

The voyeur in me is watching you
While the lawyer in me wants to
The voyeur in me is watching you
The lawyer in me wants to fuck you

Auf Wiedersehen Boy
Auf Wiedersehen Boy
You play God, but you got no glamour

Tune in Turn on Fuck off
Tune in Turn on Fuck off

I see the light when it shines upon it
In the form of a crucifix
I think I'm falling in love with a tower
The pope's revenge (The pope's revenge)

Auf Wiedersehen boy
Auf Wiedersehen boy
Auf Wiedersehen boy
Auf Wiedersehen boy
You play God, but you got no glamour
