Flirt (With Me)

Zeromancer

You lost your self respect You gave it all away for no good reason what were you thinking

Flirt with me
If you want me to
I'll do it for you

When you got that smile on your face that look in yourt eye

So look into these eyes and tell me what you see do you see affection the way it should be

come on
Flirt with me
If you want me to
I'll do it for you

When you got that smile on your face that look in your eye you want everything

I am the first you will ever have
I am your lover
I'm your God

When I get close to you

When you got that smile on your face that look in your eye you want everything
