Plasmatic

Zeromancer

Eat my self From a silverspoon Think I need some of that Breathing room Do you hear The ringing in my ear Am I the only one Who can make myself Disappear Plasmatic What is wrong when your Eqo is a rose in bloom Plasmatic All I know is my Ego is a room without a view Fed up of repeating myself You are looking for something I haven't got Fed ex dreams when things are too slow Only let you know what you need to know Plasmatic What is wrong when your Ego is a rose in bloom Plasmatic All I know is my Ego is a room without a view Now, now, now is the time, time, time Now, now, now is the time, time, time For you and me Now, now, now is the time, time, time Now, now, now is the time, time, time For you and me Now, now, now is the time, time, time Now, now, now is the time, time, time Plasmatic What is wrong when your Ego is a rose in bloom Plasmatic All I know is my Ego is a room without a view Plasmatic All I know is my Ego Plasmatic All I know is my Ego Plasmatic All I know is my Ego Plasmatic What is wrong when your Ego is a rose in bloom Plasmatic All I know is my
