Send Me An Angel

Zeromancer

Do you believe in heaven above Do you believe in love Don't tell me a lie Don't be false or untrue It all comes back to you

Open fire on my burning heart I've never been lucky in love My defences are down A kiss or a frown I can't survive on my own

If a girl walks in And carves her name in my heart I'll turn and run away Everyday we've all been led astray It's hard to be lucky in love

It gets in your eyes It's making you cry Don't know what to do Don't know what to do Looking for love Calling heaven above

Send me an angel Send me an angel Right now Right now

Send me an angel Send me an angel Right now Right now

Empty dreams can only disappoint In a room behind your smile But don't give up, don't give up You can be lucky in love

It gets in your eyes It's making you cry Don't know what to do Don't know what to do Looking for love Calling heaven above

Send me an angel Send me an angel Right now Right now
