

# The Hate Alphabet

Zeromancer

Try to imagine how it feels to me  
The idea of loyalty  
It's gonna be a lovely day  
To get this hatred out of the way

(A) It's so easy  
(B) It's so easy  
(C) It's so easy  
H-A-T-E

I hate you in a love you way  
Though I bet you don't feel that way  
I hate you in a love you way  
Though I bet you don't feel that way

I have my own way with a to z  
My heart's an ashtray  
Tearing a hole  
Inside of me

It's so easy  
It's so easy  
H-A-T-E

I hate you in a love you way  
Though I bet you don't feel that way  
I hate you in a love you way  
Though I bet you don't feel that way

I'm falling through the net  
You're trying to block the holes  
And I'm falling deep this time  
Swap places  
Change the roles

H-A-T-E  
I am my own worst enemy

I hate you in a love you way  
Though I bet you don't feel that way  
I hate you in a love you way  
Though I bet you don't feel that way

I'm falling through the net  
You're trying to block the holes  
And I'm falling deep this time  
Swap places  
Change the roles
