

# Wannabe

Zeromancer

Wannabe, yeah you  
You're just a wannabe  
Do you want to be like me

Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb

Feels like a hole inside  
Can't breathe my lungs have dried  
My heart's a bomb  
Ready to go off

A wannabe, that's you  
A fucking wannabe  
Why do you want to be like me

You hate yourself  
But rate yourself  
As a number one

You hate yourself  
But rate yourself  
As a number one

Feels like a hole inside  
Can't breathe my lungs have dried  
My heart's a bomb  
Ready to explode

Brings out the prick in me  
Don't think it's purity  
I stick in you  
Try to tell yourself  
It ain't true

Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb

You hate yourself, but rate yourself  
Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb

You hate yourself, but rate yourself  
Dumb dumb dummy dumb dumb dumb  
Dumb dumb dummy dumb dumb dumb
