

Wannabe

Zeromancer

Wannabe, yeah you
You're just a wannabe
Do you want to be like me

Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb

Feels like a hole inside
Can't breathe my lungs have dried
My heart's a bomb
Ready to go off

A wannabe, that's you
A fucking wannabe
Why do you want to be like me

You hate yourself
But rate yourself
As a number one

You hate yourself
But rate yourself
As a number one

Feels like a hole inside
Can't breathe my lungs have dried
My heart's a bomb
Ready to explode

Brings out the prick in me
Don't think it's purity
I stick in you
Try to tell yourself
It ain't true

Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb

You hate yourself, but rate yourself
Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb

You hate yourself, but rate yourself
Dumb dumb dummy dumb dumb dumb
Dumb dumb dummy dumb dumb dumb
