## Wannabe

## Zeromancer

Wannabe, yeah you You're just a wannabe Do you want to be like me

Dumb dumb dummy dumb dumb dumb

Feels like a hole inside Can't breathe my lungs have dried My heart's a bomb Ready to go off

A wannabe, that's you A fucking wannabe Why do you want to be like me

You hate yourself But rate yourself As a number one

You hate yourself But rate yourself As a number one

Feels like a hole inside Can't breathe my lungs have dried My heart's a bomb Ready to explode

Brings out the prick in me Don't think it's purity I stick in you Try to tell yourself It ain't true

Dumb dumb dummy dumb dumb dumb dumb dumb dumb dumb

You hate yourself, but rate yourself Dumb dumb dummy dumb dumb dumb Dumb dumb dummy dumb dumb dumb

You hate yourself, but rate yourself Dumb dumb dummy dumb dumb dumb Dumb dumb dummy dumb dumb
