As Painful as it is I don't wanna leave ya I don't wanna go now
here
As crazy as it is I know I really need ya even though you always
hurt me

I said her eyes are a mystery, with one look she takes me out and
she wins me
Homegirl of a dangerous is she she tell me what me want here, then
she trick me
Me Any time homegirl, come feeling me
She want that record music when it kinky
No, she can't get me wrapped round her pinky

Girl I beg your pardon from this rollercoaster ride
You're like a rose in my garden with thorns on the side
When you givin me the lovin girl
Is the only way to tell myself the truth
But it's harder to say
There's no ? way to live without you x 3

I can't live with you, but I can't even live without you baby
I can't hide the truth, that we don't love the way we used to b
