

I'm Still Fly

ZICO

I never give up
Cause I got a dream
Just keep doin my own thing
Just say it man , cause

I'm still fly I'm sky high
And I dare anybody to try
And cut my wings
I'm still puillin out the phantom
And these haters can't
Stand him nigga I'm still doin my thing

And I dare anybody to try
And cut my wings
I'm still shuttin cities down
