

# All I Need is You

Ziggy Marley

I don't need nobody to make me happy  
All I need is you, all I need is you  
I don't need no money to live how I should  
All I need is you, all I need is you  
All I need is you, all I need is you

Sorrow sometimes teach a lesson well  
And I know that good can come from bad  
So let's look into that morning star  
'Cause we know just who we are

I don't need nobody to make me happy  
All I need is you, all I need is you  
I don't need no money to live how I should  
All I need is you, all I need is you  
All I need is you, all I need is you

Man, this road I said, it's rocky rough  
So much obstacles and barriers  
Ecclesiastes man, him say  
Everything is vanity

I don't need nobody  
All I need is you, all I need is you, baby

Sorrow sometimes teach a lesson well  
And I know that good can come from bad  
(Good can come from bad)  
So let's look into that morning star  
'Cause you know just who you are

I don't need nobody to make me happy  
(You're all I need, you're all I need)  
All I need is you  
(All I need is you, all I need is you)  
I don't need no money to live how I should  
(And I don't need)

All I need is you  
(You're all I need)  
All I need is you  
(And I don't need no money to make me happy)  
(You know all I need is you)  
All I need is you
