

Wild and Free

Ziggy Marley

Do you recommend this?
A fire burns for freedom
A fire burns for freedom
The smell of decent is I
I am standing for the truth
Too long has been denied
The data of changing is rising
I hope we realize
Unchained wings let angels fly

I see fields forever
Growing wild and free
I see marijuana trees blowing in our breeze
I see fields forever growing wild and free
Wild and free

A crime against nations
A war is there is a message
In the wind for every race
Peace and love we saw
So let us grow is good for the
Is good for the soul

So lost the kiss of death
Deny the tree of life
Stand hypocrisy for so many lies
Corporation greed can only see
Survive by planting weed

Crucified savior to save your face
Demonized nature our saving grace
We got to put to good use
What the lord has gave
Fruits of the tree herbs of the
