

# Psyche

Zilch

PSYCHE

PSYCHE

Well I can't understand  
I was your holy man  
I was your fool of desire  
I was your bitter green soul...

Crucified

PSYCHE

THOUSAND MILES AWAY

PAIN

PSYCHE

BLOWS MY MIND AWAY

I been searching so long  
Like some silver centipede song  
Well if so deny me  
Cut me up inside and crucify me

PSYCHE

THOUSAND MILES AWAY

PAIN

PSYCHE

BLOWS MY MIND AWAY

The years come and kill me so completely  
Every man just cannot be hurt so sweetly  
Why did you come unto me? And then fool me?

Everybody got to be my judge and jury

PSYCHE

THOUSAND MILES AWAY

PAIN

PSYCHE

BLOWS MY MIND AWAY

PAIN

The tears cannot fill me  
Oh so sweetly  
Every man just cannot be destroyed completely  
Why did you come unto me? And then fool me?

Everybody's gonna be our judge and jury

PSYCHE. PSYCHE... PAIN PSYCHE. THOUSAND MILES AWAY.

PAINSCREAM SO LOUD.

LET IT OUT.

CAN'T STAND YOUR LIBERTY

LIKE A WINTER'S DAY. PAIN. PSYCHE.

SCREAM SO LOUD. LET IT OUT. CAN'T STAND YOUR LIBERTY

PSYCHE. SCREAM SO LOUD. LET IT OUT. CAN'T STAND YOUR LIBERTY

PSYCHE.

LIKE SOME WINTER'S DAY
