PSYCHE
PSYCHE
Well I can't understand
I was your holy man
I was your fool of desire
I was your bitter green soul...
Crucified
PSYCHE
THOUSAND MILES AWAY
PAIN
PSYCHE
BLOWS MY MIND AWAY

I been searching so long
Like some silver centipede song
Well if so deny me
Cut me up inside and crucify me
PSYCHE
THOUSAND MILES AWAY
PAIN
PSYCHE
BLOWS MY MIND AWAY
The years come and kill me so completely
Every man just connot be hurt so sweetly
Why did you come unto me? And then fool me?

Everybody got to be my judge and jury **PSYCHE** THOUSAND MILES AWAY PAIN PSYCHE BLOWS MY MIND AWAY PAIN The tears cannot fill me Oh so sweetly Every man just cannot be destroyed completely Why did you come unto me? And then fool me? Everybody's gonna be our judge and jury PSYCHE. PSYCHE... PAIN PSYCHE. THOUSAND MILES AWAY. PAINSCREAM SO LOUD. LET IT OUT. CAN'T STAND YOUR LIBERTY LIKE A WINTER'S DAY. PAIN.
