

## Thrillseeker

Zion

Passion breeder women stealer  
You've got to feed your lust  
Deposit all your life  
In the playhouse bank & trust  
Here you go again  
Will it ever end?  
Like a moth to the flame the closer it gets burned in it's own  
game  
Thrillseeker  
Falling in deeper and deeper  
Thrillseeker  
Caught in a web of deceit  
Another camera shot below the waist  
Another empty soul  
It never satisfies it's all a lie  
Puts you out of control  
It's on the TV now it's in your mind  
It's everywhere you look  
A hook in your lip that's dragging you down  
Maybe you've been took  
More! More! More! More!  
Can't get enough  
It's gggggggg gotch ya' Oh Thrillseeker!  
Always hungry but never filled  
You've got that look in your eye  
Always searchin' but never findin'  
Oh your tail's gonna fry!
