

Feel Alright

ZOEgirl

Sun is shining (sun is shining theres no need to sleep no more)
Day is bright,yeah (The day is bright and your heart has it's wings t
o soar)
It's a new day (Time wil be flying,freedom is at the door)
Feel alright,yeah (You feel alright,yeah,sio what are you waiting for
?)-

Celebrity and superstition
Whatever it takes to get some recognition
Selling antiques like they are new ideas
Making you pay to feed the thoughts they steal
Call me foolish call me crazy
But all this drama doesn't faze me
Tell me not to run and I will run much faster
Tell me to be quiet and I'll shout it from a mountain

Sun is shining (sun is shining theres no need to sleep no more)
Day is bright,yeah (The day is bright and your heart has it's wings t
o soar)
It's a new day (Time wil be flying,freedom is at the door)
Feel alright,yeah (You feel alright,yeah,sio what are you waiting for
?)-

It doesn't take a mathematician
To calculate our rising addicition
To romance,youth and perfected beauty
Packaged preserved for their mass apeal
You're not the first to buy their lines
They're not the last to waste your time
Tell me to give up and I will fight much harder
Tell me to be quiet and I'll shout it even louder

Sun is shining (sun is shining theres no need to sleep no more)
Day is bright,yeah (The day is bright and your heart has it's wings t
o soar)
It's a new day (Time wil be flying,freedom is at the door)
Feel alright,yeah (You feel alright,yeah,so what are you waiting for?
)-

All the concepts fighting for a place in my mind
Well you'll find It's occupied with the divine

The sun is shining there's no need to sleep no more
