

Trust Me

Zola Jesus

When you're lost
Never look down
When you're lost
Know I'll be around
In the meantime when you are found
In the meantime when you are found
I'll be here
I'll be here

I told you to trust me
I told you to trust me
'Cause in the meantime I'll be here
Yes in the meantime I'll be here
Trust me
Trust me

I know that you're afraid
But I'm here
Hang it all
Hang it all
Trust me
'Cause I will be here
I will be here
I told you to trust me
