

Ode To Madonna

Zolof The Rock & Roll Destroyer

I don't quite know where the Mohabi Desert is located
But I do know that Madonna gave an excellent performance
On that day in that place
Just for me dressed in black
I swear to God I'll die I wanna take her to the prom
So what its na na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up cause with out you life is so blase
I dream I had a dream I had this dream see I see us
lying lasciviously in the lush just like two carefree cowpokes
on a hill
with lots of grass the grass is soft the air is warm you dress
in clothes of black as I recite didactic prose.
So what its na na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up with out you life is so blase
So what its na na na na na na na yeah
OK its M-A-D-O-N-N-A
No Way its la la la la la la ya
Wait up cause now the lights?
