

## Ode To Madonna

Zolof The Rock & Roll Destroyer

I don't quite know where the Mohabi Desert is located  
But I do know that Madonna gave an excellent performance  
On that day in that place  
Just for me dressed in black  
I swear to God I'll die I wanna take her to the prom  
So what its na na na na na na na yeah  
OK its M-A-D-O-N-N-A  
No Way its la la la la la la ya  
Wait up cause with out you life is so blase  
I dream I had a dream I had this dream see I see us  
lying lasciviously in the lush just like two carefree cowpokes  
on a hill  
with lots of grass the grass is soft the air is warm you dress  
in clothes of black as I recite didactic prose.  
So what its na na na na na na na yeah  
OK its M-A-D-O-N-N-A  
No Way its la la la la la la ya  
Wait up with out you life is so blase  
So what its na na na na na na na yeah  
OK its M-A-D-O-N-N-A  
No Way its la la la la la la ya  
Wait up cause now the lights?
