

Super Ok

Zolof The Rock & Roll Destroyer

Lately I'm rather good at blurring little things
Like lines between cleanliness and technology.
Steady. I'm trying pretty hard to keep from getting seen
But you pointed out and laughed at me.
This jig is up.

Duh do do, duh do do, duh do do, do do
Duh do do, duh do do, duh do do, do
Duh do do, duh do do, duh do do, do do
Duh do do, duh do do, duh do do, do
Don't be anything but ok.

Fact is I must admit I like it and I decline to choose a team unless they're paired in 2's.
Maybe I'm definitely thinking. ok alright enough I said ok, you can come to.

Don't run that's not fair.
Duh do do, duh do do, duh do do, do do
Duh do do, duh do do, duh do do, do
Duh do do, duh do do, duh do do, do do
Duh do do, duh do do, duh do do, do
Don't be anything but ok
