

Bats In The Belfry

Zombie Ghost Train

Bats in the belfry, if you know what I mean.
Bats in the belfry, She's a psycho queen.
Bats in the belfry, if you know what I mean.
Bats in the belfry, She's a psycho queen.

You've got a lotta nerve, coming round my door.
You've got a lotta nerve, Psychotic little whore.
The heart from which you came was black, You took my soul I want it back.

Bats in the belfry, if you know what I mean.
She's got bats in the belfry, She's a psycho queen.
She's out of her mind, She's a psycho queen.

Bats in the belfry, if you know what I mean.
She's got bats in the belfry, She's a psycho queen.
Out of her mind, She's a scene queen fiend.
