

# Mad Mummy Daddy

## Zombie Ghost Train

Well I ? mummy, ? truck all day  
My wife she caught me rolling, rolling in the hay  
Me and ?mama? would have ?cursed? me  
Mad mummy daddy(mum and dad) is talking, Tennessee

Well I ? in the flat ? , baseball cap  
My brains in jar now, there's no turning back  
Lost my mind, now i'm doing time  
Building my pyramids on the borderline

Well i've been working on the nightshift (nightshift, nightshift)  
?  
Keep ? too  
Ain't got nothing on this...room?  
Lost my mind, now i'm doing time  
Building my pyramids on the borderline

???wlaaaa.. money? mummy?  
I'm ? to truck all day  
You see my wife, she caught me rolling, rolling in the hay. hay  
hay hay hay???  
Lost my mind, now I'm doing time  
Building my pyramids on the borderline

I won't even try this faster part.  
Lost my mind, now i'm doing time  
Building my pyramids on the borderline, alright.

?Redneck? truck all day  
My wife she caught me rolling, rolling in the hay  
Lost my mind, now i'm doing time  
Lost my mind, now i'm doing time  
Lost my mind, now i'm doing time  
Building my pyramids on the borderline
