

Teddy Boy Boogie

Zombie Ghost Train

Standin' on the corner, swingin' my chain
Along came a copper and he took my name
He put his dirty maulers on my long drape coat
And I whipped out my razor and I slit his throat

[Chorus:]

Teddy boy boogie, a-boogedy-boogedy-boo
Teddy boy boogie, a-boogedy-boogedy-boo
Ah-aah-aah-ahh, ah-ooh-ooh-ooh
Teddy boy boogie-boogie, boogedy-boogedy-boo

Well, I'm a teddy boy 'cause that's the life I choose
I wear a drape jacket and blue suede shoes
I smoke a big cigar and I dig the local hop
Saturday night I see my baby dancin' to the bop

[Chorus]

One night I was out on a chicken run
Gettin' my kicks and havin' some fun
A cop car came up from behind
So I whipped out my razor and I changed his mind

[Chorus]
