

You're My Baby

Zombie Ghost Train

Well I love that hair long and black
Hanging down to the middle of your back
Don't cut it off whatever you do
I need it to run my fingers through

Cus you're my baby
You're my sugar
I don't mean maybe
You're my baby

Well I got me a dollar, that I saved
Saved it up for a rainy day
Everybody's calling for bills that are due
If they don't catch me
I'll spend it on you

Cus you're my baby
You're my sugar
I don't mean maybe
You're my baby

Cus you're my baby
You're my sugar
I don't mean maybe
You're my baby

Well I got me a guitar got 6 strings
And a pick to make 'em ring
Every strings gotta know what to do
Cus I'm gonna use it to serenade you

Cus you're my baby
You're my sugar
I don't mean maybe
You're my baby

Well I had me a girl she said shes mine
But she run around on me all the time
Now she's gone and I'm glad we're through
Cus I've done gone flipped over you
Cus you're my baby
You're my sugar
I don't mean maybe
You're my baby
Cus you're my baby
You're my sugar
You got me crazy
Cus you're my baby
