

Gonna Getcha

Zombie Girl

I'm not even terrified of the dead
I hope that they can live in peace

I'm not the one for you
You're not the one for me
We are like night and day
But damn, I want you anyway

Together we are one
Like thousand kids of sun
But deep inside, I know you hate me
Well, I hate you too, you irritate me

Here comes the living dead
It comes today
We're gonna tear this town down today

Yeah, yeah

Bum bum bum bum bum pa dum bum
Bum bum bum bum bum pa dum bum
Bum bum bum bum bum pa dum bum
Bum bum bum bum bum pa dum bum

We don't need to know where you are
You don't want to know where we are
Because you know if I would meet you
I would get you down on your knees and eat you

We're gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha

Here comes the living dead
It comes today
We're gonna tear this town down today

Yeah, yeah

Here comes the living dead
It comes today
We're gonna tear this town down today

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey

We're gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha

Here comes the living dead

It comes today
We're gonna tear this town down today

Here comes the living dead
It comes today
We're gonna tear this town down today

We're gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha
Gonna getcha
