

Outbreak

Zomboy

Zomboy and Armani Reign Id like to welcome you to our program
No more commercial interruptions we just say wsup and then go H
AM

Hit em with the slogan (SHEESH) then I open bottles for the mod
els in the cut

Tell them haters in the back what they lack is,
Nevermind I dont give a what
Im on my bull shit, loose cannon with a full clip
Soon as we step on stage then we ragin case you aint know

the rules, bitch
See them bodies movin you prolly losin yo damn mind
Speakers bump when we grind, get it
I dont see nothing wrong with mine

Damn.. No time for playin it cool
Im on my, Bullshit. I feel like breaking some rules
and Im like.. Damn.. No time for playin it cool
Im on my, Bullshit. I feel like actin the fool

Let's git it then

For those who dont get it, Im sorry
Not really, we still chillin and feelin like a couple bosses
In the party there are no losses
Think about what hangovers cost us
Inhabitions lost in they offers
Its just another day at the office
Cause and effect when the hell the sun come up
Ah fuck it thats awesome

Club or the rave, misbehavin its a safe haven for a misfit
Whatever your situation no complications when bass hits
Its back to the basics, hands in the air if ya here to get loos
e
The beats to sick to have an excuse
And not have outbreak God dammit thats truth

Im saying doe

Damn.. No time for playin it cool
Im on my, Bullshit. I feel like breaking some rules
and Im like.. Damn.. No time for playin it cool
Im on my, Bullshit. I feel like actin the fool

Let's git it then
