

Time to Unite

Zóna A

Hey punk, tell me whats your ideas
for which you fight ?
I hate the system and I wanna be free,
cant you see ?
Hey skin, tell me, dont you think
our enemies are the same ?
But my leader said something different,
to be against.

So where is great new situation ?
New chance for new generation.
Where is bright new situation ?
Stop the war and try to unite.

Now, here is great new situation.
New chance for new generation.
Here is bright new situation.
Stop the war and became unite.

Lets all unite, new chance for ...
New chance for you and bright new chance for me.
