

# The Blood That Must Be Paid

Zonaria

If you want blood on your hands  
Then open your wallet and fucking pay  
'Cause it takes some pain to be free  
I can give you immortality  
Just put some trust in me  
You saw the genocide  
I'm not so kind  
Do not believe their lies  
And don't leave the truth behind

No one can stop my crusade  
There's blood that must be paid  
Open your eyes, don't be afraid  
I'm not a liar  
I only have but one desire  
Blood for money, money for blood  
Fuels my fire

Fire  
Murder  
Anger  
Liar

Behind the enemy lines  
Where out freedom dies  
Pay the price  
The blood that must be paid  
And behind the dollar sign  
Hides a terror design  
The blood that must be paid

Open your wallet and fucking paid  
I don't care about  
What they fucking say  
You opened your mouth in vain  
My blood is not for sale  
With no intention to pay

Blood for money  
Money for blood

Not my blood  
Trust in me  
The recipe for immortality  
Murder  
For money  
For glory  
Forever

No blood is spilled in vain  
When they are calling my name  
I will forever be  
Everybody's fucking enemy

Blood for money  
Money for blood  
Fuel the fire

No blood is spilled in vain  
They're calling my name  
I will forever be  
Be your worst fucking enemy
