

Hope In The Mirror

Zoot Woman

No hope in the mirror
Breaking you up
The voice from inside
Says never enough

No hope in the mirror
Breaking you up
The voice from inside
Says never enough

No transformation
Fears I'm accepting
Wanting for something
Losing too much

Hope in the mirror
Breaking you up
The voice from inside
Says enough

No hope in the mirror
Breaking you up
The voice from inside
Says never enough

Hope in the mirror
Voice inside
Hope in the mirror
Voice inside

Hope in the mirror
Breaking you up
The voice from inside
Says enough
