## **Big Fish**

Sometimes I think it would be better If you just walked away And stopped returning phone calls Come out to see the band play Lady, Leave me, I will love you more Sometimes I only speak when I'm ignored Big fish, little fish don't swim back to me Eww eww eww eww Circle my ship and slip back into the sea Eww eww eww eww I'm sending out a Warning 'cause I think you oughta know If catching you is easy then I'm gonna have to let you go Sometimes I wish you wouldn't smile Every time I come around And pick me up so easily Every time I let you down And baby Make me Crazy If you can Miscommunicate to make me Understand Big fish, little fish don't swim back to me Еww еww еww еww Circle my ship and slip back into the sea Еww еww еww еww I'm sending out a Warning 'cause I think you oughta know If catching you is easy then I'm gonna have to to let you go Let you go home I can swim like a stone again Big fish, little fish don't swim back to me Еww еww еww еww Circle my ship and slip back into the sea Eww eww eww eww Big fish, little fish don't swim back to me Big fish, little fish don't swim back to me Big fish, little fish don't swim back to me
