

Světlo

Zrní

Silent cosmic landscape,
Hillocks and waves
in the Moon gulfs
Silhouettes of scales and fins

Skeleton of space old
Veins sting into
Tips of fingers
Very carefully spread your palm

Runs into never-ending depth
Foetus unrolls
Jellyfish in the flight

(Imperceptible storms
lines and loops
pomp of silence
very carefully open your mouth)

Runs into never-ending depth
Womb's expanding
Jellyfish in the flight
Around you waves and streams
