

# Blue

Zucchero

No petrol in the car  
No pennies in the jar  
How did we get this far, baby.

No moon in the sky  
No roof to keep us dry  
Looks like rain tonight.

I got a sinking feeling  
Coming over me  
I got a sinking feeling  
I tried to paint a picture  
A picture through the clouds for you.

Green Your smiling eyes  
Red 'Cause I made you cry  
Grey These rainy skies  
Tomorrow will be

Blue Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be blue

No caffeine in the coffee  
No sugar in my tea  
Just watching the TV  
With the sound down  
No radio on  
No tune to the song  
And the words are wrong.

Your fingers tapping  
To the rhythm of the rain  
Your fingers  
I tried to paint a picture  
A picture through the clouds for you.

Green Your smiling eyes  
Red 'Cause I made you cry  
Grey These rainy skies  
Tomorrow will be

Blue Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be blue

I got a sinking feeling  
Coming over me  
I got a sinking feeling  
I tried to paint a picture  
A picture through the clouds for you.

Green Your smiling eyes  
Red 'Cause I made you cry  
Grey These rainy skies

Tomorrow will be

Blue Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be blue

Oh child  
Don't say goodbye  
These rainy skies  
Tomorrow will be Blue

Stay love  
Stay tonight  
These rainy skies  
Tomorrow will be Blue
